

Task 4.2: Revising a Paragraph (Group)

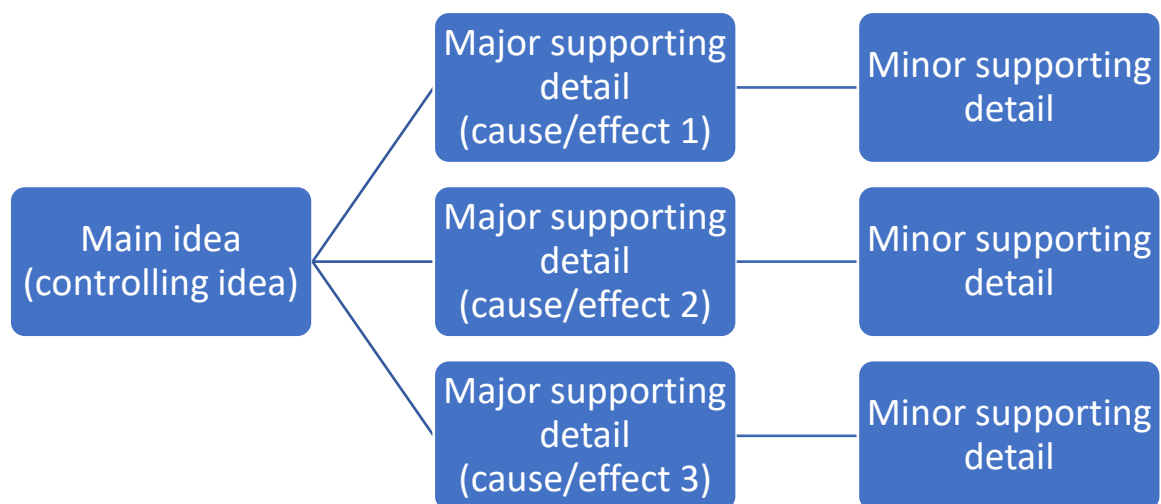

Group 5:

1. Mutiara Fanny Maulida (1202213104)
2. Mahatma Rusyda Afif (1202210141)
3. Wildan Fauzan Ramdana (1202210200)
4. Zahra Hafizhah Mutmainnah (1202210208)
5. Riski Alfika Sari (1202200023)

Task 4:

1. This task is based on your previous group paragraph
2. Check your previous group paragraph and revise it, since you already learnt new materials such as sentence formation, paraphrasing, and concise writing.
3. You will continue a chain-writing with the members of your group. Use the template in the 2nd page.
4. Re-assign each member as Writer 1 and so on if necessary.
5. Before you start, make sure the topic and the controlling idea in your topic sentence are clearly stated.
6. Make sure the main idea (controlling idea) help you organize your writing.
7. You can organize your cause-effect paragraph in two ways: (a) Start with the cause and then talk about the effects; or (b) Start with the effect and then talk about the causes. You must choose ONE.
8. Together, use the following outline to revise your 1st draft.

Topic	The Role of Information Systems in Coastal Communities
Controlling idea	Improve The Economy and Welfare of Coastal Communities
Topic sentence	Information Systems can unlock significant economic growth and enhance resident well-being in coastal communities through several key initiatives.
Mutiara	

9. Using the topic and the controlling idea, the 1st writer will revise the topic sentence. Then, the 2nd writer until the 3rd or the 4th writer will write the supporting sentences based on the simple outline.

Major supporting detail 1 Wildan	The implementation of the information system are the Marine Catch Sales Platform directly leading to the facilitation of fishermen in selling their catch.
Minor supporting detail Wildan	Consequently resulting in increased income for them.
Major supporting detail 2 Zahra	Furthermore, real-time weather forecast information is also needed to help fishermen optimize fishing routes and reduce the risk of fishing accidents.
Minor supporting detail Zahra	It will increase the effectiveness of decision-making about their operational activities.
Major supporting detail 3 Mahatma	Additionally, this implementation can help community to spread their information.
Minor supporting detail Mahatma	This way, the people in the area can easily promote their products and handicrafts. Moreover, adequate information expected to increase the number of visitors.

10. Remember to check and ensure all major and minor supporting sentences are relevant and support the main idea.
11. Use sentence connectors to make each sentence in your paragraph flow smoothly.
12. Finally, the last writer will restate the topic sentence or use the other three functions to create a concluding sentence. Remember, you cannot introduce new idea in your concluding sentence.

Function Riski	Therefore, implementing Information Systems strategically can maintain economic prosperity and strengthen a sustainable and equitable environment in these communities.
Concluding sentence Mutiara	Hence, strategic implementation of Information Systems can safeguard economic well-being and cultivate a sustainable, equitable environment in these communities.

13. Return the paragraph to the 1st writer to have the 1st check for unity.
14. Pass the paragraph along to the next writer until the last one.
15. Write your second draft in the space provided.

Notes:

- a) **Orange** : **Title**
- b) **Purple** : **Topic sentence**
- c) **Blue** : **Major Supporting sentence**
- d) **Green** : **Minor Supporting sentence**
- e) **Magenta** : **Concluding sentence**
- f) **Gold** : **Unity**

Our 2nd Draft

Title: **The Role of Information Systems in Coastal Communities**

Information Systems can unlock significant economic growth and enhance resident well-being in coastal communities through several key initiatives. The implementation of the information system is the Marine Catch Sales Platform directly leading to the facilitation of fishermen in selling their catch. **Consequently** resulting in increased income for them. **Furthermore**, real-time weather forecast information is also needed to help fishermen optimize fishing routes and reduce the risk of fishing accidents. **It will increase the effectiveness of decision-making about their operational activities.** **Additionally**, this implementation can help community to spread their information. This way, the people in the area can easily promote their products and handicrafts. **Moreover**, adequate information expected to increase the number of visitors. **Hence**, strategic implementation of Information Systems can safeguard economic well-being and cultivate a sustainable, equitable environment in these communities.

16. Your paragraph should have 5-10 sentences with no more than 10 lines.
17. The word count of your paragraph should be 200-250 words.
18. The file name: Your Class_Your Group_Task (SI-44-01_Group 1_Task 5_Paragraph)
19. Submit your paragraph via the LMS or the Gdrive provided by your teacher.

Rubric for Informative Paragraph

Element	80 - 100	70 - 79	60-69	40-59	0-39
Ideas & Content	Exceptionally clear, focused, engaging with relevant strong supporting details	Clear, focused, engaging with appropriate supporting details	Evident main idea with some support which may be general or limited	Main idea may be cloudy because supporting detail is too general or even off-topic	Purpose and main idea maybe unclear and contain some irrelevant detail
